

Yo Yo Bookmark

For this project you will need:

Scrap fabric
2 baby buttons
Needle and quilting thread

Making the Yo-Yo's

Make one 1" (cut fabric into a 2-1/2" circle) yo-yo and seven 3/4" (cut fabric into a 2" circle) yo-yo's from scrap fabric.

Connecting the Yo-Yo's

String the yo-yo's together with quilting thread as show in the Figure. Run your thread down the yo-yo's and back up again. Creating a little wave in the yo-yo's is really cute. Tie the thread inside the bigger yo-yo.

Attaching the Eyes

Sew two baby buttons at the top for eyes.
